Student no. : 217370858

	req.url	HTML page
1	/login	login.html
2	/reg	register.html
3	/main	index.html
4	/mainafterlogin	indexafterlogin.html
5	/showfavouriteafterlogin	showfavouriteafterlogin.html
6	/removefavourite	removefavourite.html
7	/confirmlogout	confirmlogout.html

YouTube link to video : <https://youtu.be/eYQABqZvlFY>

Remarks : Sometimes there's problem of the JSON url : <https://dog.ceo/api/breeds/image/random> that some photos cannot be found (error 404 as shown in below screen capture) therefore sometimes 1 or 2 photos cannot be shown in the favourite page.
